presentable.	
Deer Fencing –	
Contractors have stated that they cannot deliver it	
before the trees arrive, this is not acceptable so the	
board has sought for a different supplier. A quote has	
been obtained from Treeline which would result in a	
saving of £4,000 and are waiting on a second quote.	
The Board agreed that whichever of these is the	
cheapest, we would accept and cancel the present	
contractor.	
S.M – On behalf of McCuin Clan Woods	
They would like to lease some land in exchange for	
payment for trees in our proposed orchard and help	
with the deer fencing. The Board agreed to a donation	
of £1,000 towards the trees plus a donation towards	
the deer-fencing (sum yet to be decided). The Board	
have tentatively agreed to the possibility of leasing	
them a hectare of land opposite the middle section of	
land where the tree orchard is planned for £150 per	
annum. But the Board would like to see a plan first.
